Senior Mens Assistant Coach Wanted

The Marcellin Old Collegians Football Club is seeking an Assistant Coach for the Senior Mens team for the 2022 season, with the role commencing in November 2021.

Overview of the Role

- Supporting the Senior Coach in the development and implementation of the Club's football program
- Supporting the Senior Coach at training and on match days
- Supporting the development of players when it comes to:
 - Football skills, physical attributes and knowledge
 - Physical and emotional wellbeing; and,
 - Personal character and leadership capacity.

Key Criteria

Coaching Strategy

- Contribute to the development and implementation of a match day coaching strategy in consultation with other coaches that is taught to players and implemented in matches.
- Focus on both optimal team performance and the development of individual players' abilities.

Training

- Contribute to training sessions by running and designing drills, developing individual player abilities, aligning player development with coaching model and strategy.

Match Day

- Oversee line coaching duties on match days, which will include providing individual player feedback and comprehensive match reviews including a review of each game's vision

Post Match

- Reviewing player and game footage, as well as footage of upcoming opposition in preparation for the next week

Collaboration with Coaching Staff

- Actively contribute to participating in coaching meetings, selection, delivering coaching reviews of players and displaying a collaborative approach within their coaching style.
